BMPFT-20100707JKV
Facility ID # 146158

Dear Applicant:

This refers to: (1) the above-captioned application for W287BI, Social Circle, Georgia.

An engineering study has revealed the application is a major change application pursuant to 47 C.F.R. § 74.1233(a)(1). Specifically, the Section states that "a major change is... any change in antenna location where the station would not continue to provide 1 mV/m service to some portion of its previously authorized 1 mV/m service area." The proposed service area would not continue to provide service to some portion BLFT-20070912ACK service area. Because major change applications are not being accepted for filing, we dismiss the application.

In light of the above, the application BPFT-20100707JKV filed by Edgewater Communications, Inc. unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
